

# CAT 2026 QA Preparation Plan - Week 1

## Topics: Percentages & Averages

These are fundamental topics in CAT QA. Week 1 will focus on building core conceptual understanding and moderate-level problem-solving skills.

Time Required: ~5-6 days (1.5-2 hrs/day)

## Recommended Book: Quantum CAT by Sarvesh Verma

- Read the chapter on Percentages and Averages.
- Solve Level 1 and Level 2 problems.
- Focus on CAT-style questions and short tricks shown in the book.

## YouTube Channels for Concepts

### 1. Rodha (Highly Recommended)

- Percentages Playlist: <https://www.youtube.com/playlist?list=PLU6SqdYcYsfJ9HgRpa33DxZQ8IO2vYylt>
- Averages Video: [https://youtu.be/n0MYWRGHU\\_0](https://youtu.be/n0MYWRGHU_0)

### 2. Takshzila Shikshak (Backup):

- Clear approach to CAT-style logical problem solving.
- Search topic: "Percentages CAT Takshzila" on YouTube.

## Practice Questions

Online Platforms:

- 2IIM Practice Portal: <https://practice.2iim.com>
- Cracku CAT Practice: <https://cracku.in>

Solve:

- 20 beginner problems (L1 from book or online)
- 20 moderate/CAT-level problems over 3-4 days
- Keep an error log for mistakes
